### It's been a decade since the first school stage production of H.S. Musical 2

It will be almost 10 years to the day since Woodlands High School became the first school to produce a stage production of High School Musical 2. SMS is proud to be presenting the full two act production, including the songs that won Favorite Soundtrack at the 2008 American Music Awards. Our production includes the song "Hummuhummunukunukuapua'a" that was left out of the original movie but included in the stage production. Watch for more fun facts here in upcoming editions of the Wildcat Weekly.

## FUN, FUN, FUN FOR SUMMER FASHION!

This show pulls its wardrobe from your closet! Most of the costumes are what you'd wear on sunny warm days in July. Start with your free-dress school wear - fun colors are key! Then khaki slacks (think school uniform!) for employee wear at the Lava Springs Country Club. Finally, choose fun summery celebratory garb for the gala at the end of the show. I'll bring in uniform shirts for the kitchen scene, and any specialty items for some specific ensembles and characters. There will be more detailed information coming soon!
